

Development Contribution

As a member of the Vashon Maury Cooperative Preschool, each family makes unique contributions. Below are four key roles:

1. Co-teacher "lab day" in the classroom each week
2. Operations job in the cooperative
3. Attend monthly Parent Education meetings and the All School Business Meeting
4. ~~Auction Job~~ Development Contribution (choose one option below) - Instead of organizing a \$50,000 live auction we will each get to do one of the following activities. This replaces the old "auction job" requirement.

Please choose one of the five flexible options below for families to give their time, talent, or treasure and return this form with your registration paperwork:

- Option 1: Enroll a new family for the year OR a sibling in your own family.**
When we have full enrollment, we have more of all the good stuff- more lifelong friends for kids and parents, more hands to help, playdates, carpools, and a *delightfully* low fundraising goal. Enrolling a student is the very best fundraiser, earning the co-op between \$900 and \$3,000 annually. Enroll one and you're done!
- Option 2: Organize and promote two events**
Get this place hopping with kid-centric public outreach opportunities for us to share co-op and build community. Spend time with your kids and co-op family and be our own best advertising!
 - Host a public open house play time at the co-op
 - Table at a farmers market
 - Create a media campaign for the Beachcomber or other organization
 - Coordinate a movie night at the Vashon Theatre
 - Organize a bake sale at Thriftway
- Option 3: Procure items for the Holiday online-only sale (auction-lite)**
We are hoping for full enrollment, but in the event we don't reach that goal, we plan a small fundraiser.
 - Procure \$500 in goods/services for the auction **prior to November 1.**
 - We have lists of easy, always-successful asks and an email script to boot! Do 5-10 emails and you're there! It's actually quite easy and can all be done by email.
- Option 4: No-Bake Bake Sale**
Work with our board to solicit and recognize community sponsors that have underwritten our auction and other events in the past.
- Option 5: Pay a bit more tuition**
Love co-op but you just can't do anymore? Include a \$75/month donation with your tuition check.

Toddler Class	\$165 \$90
2/3 Class	\$205 \$130
3/4 Class	\$255 \$180
4/5 Class	\$365 \$290
